DAY THREE · GET BOOKED · SESSION 1 · 9:00 - 9:20

GOOD MORNING

Your videos got views. Now what?

Yesterday you became creators. Last night the numbers came in. Let's compare: whose video travelled furthest, and why?

Views are the achievement everyone can see. But views alone do not pay the bills.

THE PIPELINE

Views become bookings when three things exist

1

A findable profile

Google Business Profile so people searching can actually find you.

2

Proof of trust

Reviews that tell a stranger you are worth booking.

3

An easy way to book

WhatsApp or DM that leads smoothly to a payment.

TODAY

We build the whole pipeline.

By 5:30 you will be findable on Google, trusted through reviews, and ready to take a booking and a payment.
