THE MISSION

Fill the shot list. Win points.

Each team captures seven pieces of content in 45 minutes. Then you submit to the WhatsApp group.

After the break, we judge them together and award points to the leaderboard.

YOUR SHOT LIST

Five photos, two clips

A

Hero shot

The single best image of your place or experience.

B

Portrait

A teammate as the host or guide, looking natural.

C

Detail close-up

Food, craft, texture. Something you can almost touch.

D

Landscape

A wide view with something in the foreground.

E

Creative angle

Surprise us. Low, high, through something, reflection.

▶

Two video clips

One movement shot, one POV shot. 5 seconds each.

ONE LAST THING

Have fun with it.

This is the session people remember. Laugh, experiment, and take more than you think you need.

The best content comes from teams enjoying themselves.

BREAK TIME

Tea, then the reveal.

Submit your shots to the WhatsApp group before tea. We judge and score right after.
